### PAST EVENTS

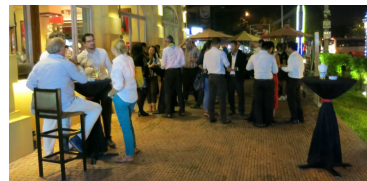

#### Business Workshop & Networking

Member's DFDL joined us for our second business workshop on the theme of taxes and contracts. With a number of laws changing in the area of compliance on employee tax and contracts, Daniel Wein, Senior Adviser at DFDL, provided an overview and practical advice on how to get started with your employee tax and contracts, as well as what ongoing measures of compliance companies should be following. Key takeaways from the workshop were: registering your business with MoC; ensuring you are meeting deadlines; and how to seek advice as regulations change.

The workshop was followed by a networking event at Hard Rock Café. It was a pleasant occasion for Siem Reap's business community to mingle and get updates from the organising associations on the planned activities for the next months.
