

THE EVENT

EuroCham Cambodia is bringing the Kingdom's most experienced professionals in the construction sector to discuss the challenges and opportunities of constructing tall buildings in Cambodia.

The event will include panel discussions by leading professionals on topics such as:

- Overview of the Tall Buildings Market in Cambodia and Legal Updates
- Tall Buildings Construction Technologies, Technical Components and New Solutions
- Tall Buildings, Sustainability and Resilient Cities
- Property Management and Safety Aspects of Tall Buildings

Experts from the European and Cambodian business community as well as from the Royal Government will join the panel and share their insights as well as join extensive panel discussions and Q&A sessions.

AUDIENCE DEMOGRAPHICS

Sponsors will increase their brand's exposure to foreign investors, business associations, business leaders, constructors, developers, architects, engineers as well as diplomats.
